Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner called Mr Ersler to propose an examiner's amendment to facilitate the allowance of the case. The independent claims 1, 11, and 20 were discussed regarding some clarifications of the limitations Amendment filed on 12/01/2005. Both examiner and Mr. Ersler agreed on the new claim language and further discussed some informalities in disclosure and claims 18 and 28. Furthermore, both agreed on putting back the word "removably" in all claims 1-28 as it was omitted on 12/01/2005 correspondence.
